ABOUT US

FLORIDA'S TRUSTED BUILDERS OF ALUMINUM ENCLOSURES & OUTDOOR LIVING SPACES

Since 2017

About Eclipse Service Hub

- Eclipse Service Hub specializes in premium pool cages, patios, porches, screen rooms, sunrooms, and custom paver installations across Central and Southwest Florida. As a licensed and insured aluminum contractor, we are known for clean design, precision installation, quality materials, and hurricane-ready craftsmanship.
- All our structures use MADE IN USA materials — aluminum, mesh, and hardware built for Florida's sun, storms, and humidity. We handle every project in-house to deliver flawless results and long-term durability.
- We take pride in creating outdoor spaces that are strong, elegant, and built to last.
